PERSONAL BACKGROUND

My name is Greg Sithole and I'm a Junior Software Developer with several years industry experience. I have great enthusiasm for my work and I believe that it is an important part of my personal growth. In my spare time, I enjoy working on small projects with friends that I have made together. Learning new languages is another passion of mine. In my free time I like to read books and play video games

PROFESSIONAL HISTORY

Junior Software Developer

Entrostat | May 2017 to present

- Planned, developed, tested, deployed, and maintained business management & lead integration systems with a small team
